Sir,

SUPPLEMENTAL AMENDMENT

Applicants thank the Examiner for a telephone interview on November 1, 2011 in which applicants understood that correction of typographical errors would lead to an allowance of the claims and withdrawal of the Advisory Action received on October 31, 2011. Consequently, Applicants resubmit the claims presented in the response to the final office action dated October 17, 2011 in which the typographical errors introduced in that response have been corrected. The listing of claims begins on page 2. The Remarks and Conclusion sections begin on pages 8 and 9, respectively.
